

Thank you for all the calls, cards, visits and prayers during my recent illness. I appreciated your thoughtfulness.

Mari Arnold

Thank you to Mary Wilkerson for her generous donation for yard work. With this donation, we were able to have more work done on the Memorial Garden.

In the Toilet

My son Zachary, 4, came screaming out of the bathroom to tell me he'd dropped his toothbrush in the toilet. So I fished it out and threw it in the garbage. Zachary stood there thinking for a moment, then ran to my bathroom and came out with my toothbrush.

He held it up and said with a charming little smile, "We better throw this one out too then—it fell in the toilet a few days ago."

Heaviness in the heart...maketh it stoop:
but a good word maketh it glad."
Proverbs 12:252
